Forecast For East of England
Issued by Met Office Exeter
at 1600 on Wednesday 26 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Any evening showers across Norfolk dying out then fine.

This Evening and Tonight:
Any showers across Norfolk quickly dying out to leave a dry night with with variable amounts of cloud. Clear spells are most likely across far western areas and a few mist or fog patches could form here around dawn. Minimum temperature 5 deg C (41 deg F).

Thursday:
After a rather cloudy start it will soon brighten with sunny spells for most areas. Perhaps remaining cloudier near some coasts. Feeling warmer than recently. Maximum temperature 19 deg C (66 deg F).

Outlook for Friday to Sunday:
Mainly fine on Friday with afternoon showers possible. The weekend will be dry, bright and feeling warm. Increasing chance of low cloud and mist near coasts, spreading inland each night.
